

GARSTANG COMMUNITY ACADEMY

...excellenceineveryone

November 2016

Dear Parents/Carers/Employees

In the event of school needing to close due to an unforeseen circumstance e.g. severe weather conditions, please note the following ways school would relay this information to you:

- 1] Please check the school's website (www.garstangcommunityacademy.com). This is the preferred method as information can be quickly posted. If you know of a fellow school member who does not have internet access, please could you be mindful of sharing the information with them? Thank you.
- 2] Closure notices are available from local radio stations; Rock FM 97.4 (www.rockfm.co.uk/closure) & Radio Lancashire 95.5 FM. Follow @garstangacademy on Twitter
- 3] The Parentmail service can also be remotely accessed (providing power has not been damaged to school) and therefore the utmost effort will be made to send out a message with the same information as the website page.

This information will be duplicated in reverse to relay information regarding re-opening.

Thank you for your continued support.

Mr A Ashcroft
Principal
